

THE BLESSED HOPE

1

The grace of God
Has been shown to all
Brought salvation
From the wicked fall.

This grace shows us
How to renounce
All kinds of lusts
and ungodliness

It shows us how
to live self-controlled
upright, godly
lives in this present world

By grace alone
I know I am saved
The hope I have
Is not in the grave!
So we wait for

Chorus

**The blessed hope
and splendid appearing
Of our great God
And Savior Jesus Christ.**

3

He gave himself
To redeem us all
From lawlessness
And the pit of hell

He wants his own
To be purified
Zealous to do good,
A beautiful and loving bride
So we wait for

Hope, I have a Hope Eternal!
Hope, I have a Hope forever!
Hope, I have a Hope in Jesus Christ my
Savior
